Our Lecturers

to help you FOCUS & PASS the exams!

David Meow
MBA(UK), CFA, FRM, ACMA, CA(M), CFP

David Meow is the Managing Director cum Principal Trainer for Via Commerce Sdn. Bhd. He is involved in training and consultancy in areas related to financial accounting, corporate finance and financial risk management. He has trained and consulted in 7 countries within the region. He was involved in providing advisory and training courses for government–related regulatory bodies including Bank Negara Malaysia (BNM), Permodalan Nasional Berhad (PNB) and Securities Commission, Jabatan Perdana Menteri (ILKAP), Khazanah Berhad, Employees Provident Fund (EPF), Central Provident Fund (CPF) of Singapore, financial institutions and corporations.

He has also trained for corporations including American International Assurance (AIA) Company, Limited (Malaysia), CIMB Group, AmBank Berhad, Genting Berhad, Ramunia Berhad, and Naluri Berhad.

Besides training and consultancy, he is also involved as a facilitator for the Chartered Financial Analysts (CFA) and the Certified Financial Planner (CFP) and ACCA programs in Kuala Lumpur, Singapore, Hong Kong and Vietnam.

Justin Ong Kean Hu
CFA, FRM, CA (M)

Justin is a management consultant with EY’s Financial Services Risk Management. Over the past years, he has been involved in numerous financial risk management and financial reporting related projects in more than 20 leading financial institutions and non-financial institutions in Asia (e.g., Malaysia, Singapore, China, Vietnam and India), Australia, Africa and Europe.

In addition, he has also conducted various training workshops for his clients in the areas of Basel regulation, financial risk modeling, financial products valuation & pricing and financial modeling. He is also currently a part-time lecturer for CFA and FRM programs since 2010.
Josh Tee Chia How  
FRM, Completed CFA Program

Josh is currently a regional credit analyst with UOB Kay Hian Singapore, the largest stockbroker in Singapore and one of the largest equities financing provider in South East Asia. The main function of his role is to advise the Committee on the corporate exercise of penny stocks (i.e. the structure of corporate exercise, dilutive impact and valuation), analyze the fundamental and valuation of listed companies’ shares which to be collateralized for the funding of high profile clients’ investments as well as analyze the potential underwriting or IPO and derivatives financing deals.

Prior to this, Josh involved in corporate finance consulting works (advisory and equity valuation) with KPMG Malaysia. Subsequently, he joined a private equity house and covered the portfolio companies across regions (Malaysia, Indonesia, Sri Lanka, and India).

Josh has completed the CFA and FRM programs and currently he is a part-time lecturer in Kasturi College International for these programs.
