**Arshad Adam Salehmohamed**  
**(FCCA, Master in International Business Management)**  
**Subject: Strategic Case Study**

Adam hails from Mauritius & completed his ACCA & graduated in Business Administration with a gold medal in 1994. Attained membership status with ACCA in 1996 based on his strong audit, accounting & tax experience in Mauritius. His academic career commenced in 1995 when he joined Emile Woolf College. Since then, he has specialized in teaching management accounting & finance in several countries for both professional exams & academic programmes.

He completed his Masters in International Business Management with first class distinction from University of Nottingham. He also found the time to serve two important committees of the Malaysian Institute of Accountants in 1998 & 1999 as well as participate in the review of the first textbook of Auditing in Malaysia.

Arshad has been producing prize winners for the management accounting modules for over fifteen years. In year 2014, he was the winner of the CIMA-NAFMA<sup>1</sup> Best Lecturer of the year award. Arshad dedicated to Management Accounting for his entire career, this award recognizes his contribution in the field of his expertise and with the award being presented by the pioneer Management Accounting body the award becomes all the more special.

He has been lecturing CIMA Strategic Case Study in Vietnam since 2014. He guides students how to tackle CIMA case study questions from a practical approach. The effectiveness of his approach reflects in his pass rates which are very high in the region.

---

<sup>1</sup> The National Award for Management Accounting (NAFMA) is the prestigious management accounting award that recognizes excellence in business management success. It is jointly organized by the Malaysian Division of the Chartered Institute of Management Accountants (CIMA) and the Malaysian Institute of Accountants (MIA). The inaugural award was officially launched in April 2004 to recognize the excellence of professional such as CEO's, CFO's, entrepreneurs, business managers, lecturers as well as CIMA students for their outstanding contribution towards management accounting in Malaysia.
